RESEARCH EXPERIENCE

Department of Health Outcomes Research and Policy, Harrison College of Pharmacy | Auburn University, AL

Research Assistant, January 2023 – Present

- Assist with development of project proposals, plans and protocols
- Design and publish educational materials, research blog posts, newsletters
- Fulfill logistical requirements like materials, supplies, and labor
- Recruit participants, collect and analyze data, and ensure that project is proceeding on schedule
- Carry out any additional project needs while working toward goal of research presentation and publication

Drugs and Behavior Research Lab, Department of Psychological Sciences | Auburn University, AL

Undergraduate Research Assistant, June 2022 – September 2022

- Guided participants through lab intake, familiarization, and experimental sessions
- Dosed participants with high proof grain alcohol according to research guidelines and ensured doses were taken in a safe and timely manner

- Utilizing health screen, paper assessments, a driving simulator, and eye-tracking software: collected and organized participant data for later analysis
- Across 10+ hour shifts, regularly monitored participant BAC in order to ensure absence of adverse treatment effects and mitigate other potential risks related to intoxication

Individual Differences, Training, and Assessment Lab, Department of Psychological Sciences | Auburn University, AL

Graduate Research Assistant, February 2021 – December 2022

- Identified, interpreted, and reviewed target behaviors while mediating rater judgments for a large-scale project focused on codifying cheating behaviors
- Utilizing an A.I.-based software and prepared lab procedure: conducted graduate-level supervising and execution of participant interviews and assessment
- Trained undergraduate research assistants in lab procedures and interview skills and ensured these new skills are applied correctly during lab sessions
- Managed participant timeslots and data sheets, coordinating with undergraduate research assistants and other research team members

Alabama Healthy Marriage and Relationship Education Initiative, Department of Human Development and Family Science | Auburn University, AL

Relationship Education Facilitator, January 2020 – May 2020

- Taught an experimental youth-centered relationship education curriculum to local public high school students
- Regularly discussed and developed engaging lesson plans with other relationship education facilitators and graduate supervisors
- Critically analyzed the performance of self and others, providing constructive feedback for improvement
- Aided paper and Qualtrics data collection and management

ADDITIONAL RELEVANT EXPERIENCE

East Alabama Health | Opelika, AL

Shadowing Program, November 2022 - Present

- Approved for shadowing hours with physicians; currently seeking opportunities within psychiatry and radiology departments

Student Athlete Support Services, Athletics Department | Auburn University, AL

Psychology Tutor, August 2021 – September 2022

- Self-managed schedule, coordinating with both student athletes and academic counselors to set up meeting times
- Created and administered lesson plans that taught basic and advanced psychology coursework, including biology, research, and social topics
- Constructed and discussed progress reports with academic counselors to ensure steady student progress toward achievement goalposts

LEADERSHIP AND DIVERSITY INVOLVEMENT

Auburn University Korean Language and Culture Club | Auburn University, AL

President, January 2020 – May 2022

- Directed regular club meetings, officer meetings, recruitment events, and public events for an organization with 100+ members
- Rewrote club constitution and reorganized organizational structure to meet the requirements of the University Office of Student Involvement and club needs
- Designed and taught educational lessons on significant topics in Korean history, current events, politics, film, music, and global influence
- Worked with King Sejeong Institute faculty and staff to recruit volunteers for public events
- Organized and executed large-scale community outreach events promoting cultural awareness; several events per semester

U.S. Department of State: NSLI-Y Korea | Jeonju-si, South Korea

Summer Finalist, June 2018 – August 2018

- Achieved intermediate proficiency in Korean following completion of a rigorous full-time educational curriculum that included modern and traditional Korean language and culture
- Created long-lasting relationships between United States and Korean citizens by integrating into and closely studying the local community and promoting U.S.-Korea political relations as a student diplomat
- Wrote reports on experiences in Korea for U.S. Department of State staff to review

FOREIGN LANGUAGE COMMUNICATION SKILLS

Proficiency in **Korean (Advanced)**, **Spanish (Mexican) (Advanced)** (Native)

HONORS AND AWARDS

Auburn University | Auburn, AL

- Graduated *cum laude*
